created by a federation of practicing artists with shared purpose and vision....

MISSION STATEMENT: To showcase and increase awareness and appreciation of Central Florida’s finest professional and emerging artists as well as cultural venues that are “off the beaten path”.

VISION STATEMENT: To be recognized both nationally and internationally as a premier cultural adventure for art lovers and collectors by offering fine work for acquisition and providing educational and interactive experiences in unique and creative working environments. We focus on social, cultural and economic development by creating and nurturing ties between the artists and their communities, thus aligning with the tour slogan:
